I heard you have to mix the 400mg deca with

something, otherwise it will crystalize. Well how about mixing it with the 300mg sustanon? I was think, this would be on kick ass mix if you could pull it off (IE, if the oil in the sustanon could dilute the Deca enough). I'm thinking 900mgs of sus a week, 1200mgs of deca :):) I would probably cut it with Primobolan though, so it would be 100mgs of ... <http://hobbiebook.com/groups/anapolon-gdzie-kupic-shop-accept-crypto-58ox0rer6/> Member. Im running noble labs test deca mix 300 test 200 deca e3d and noble 1test cyp 200 e3d . I ran the test deca mix for 6 weeks an then got 1 test cyp by accident and incorporated it into my cycle. Currently on week 10 total (4th week of using 1 test) my appetite is through the roof still, scale isnt moving but im def leaner in the mirror.

Depends on a lot of things mate like cycle history current stats ect, if itsa your first cycle id go test e only if its first time on deca but have cycled before personally id go 500mg test e 400mg deca. And also don't be afraid to take deca higher than test not everyone gets libido issues I ran 250mg test with 750mg deca without problems. Packing : Deca 300 is an injectable product that is often used by bodybuilders in a steroid cycle. The active substance of this medication is Nandrolone Decanoate. Original Deca 300 is produced by the world famous brand Dragon Pharma. Off-Season Deca Durabolin Doses: Off-season Deca Durabolin doses will normally fall in the 300-400mg per week range. Due to the steroid's long half-life one injection per week could get the job done. However, most will find two small equal size injections per week that total the desired weekly dose to be most efficient. Fiction: Deca will cause Deca dick right away. Fact: Even if you get this side effect, it usually won't happen until about 6-7 weeks into your cycle. Fiction: 2-300 mg/week of Deca is a small dosage. Fact: 300 mg - 400 mg/week of Deca is the most anyone should ever need and going beyond that is a system of diminishing returns.
