The oil seems to be a bit thicker than Pharmacom's Test Prop, and I have noticed some PIP with it, but that doesn't last too long. Also, Mix #5 has a strange aroma that seems to linger. I can't really describe it, other than that it is chemical-like.

Pharmacom MIX-5 Trenbolone 25mg/ Testosterone 50mg/ Stanozolol 25mg All Base 10ml Multidose Vial. Out of stock. Categories: PHARMACOM LABS, Injectables, Steroids. Description Reviews (0) Description. I just had to post my Impressions of Pharmacom's Mix-5. This Shit is Straight Rocket Fuel. Within an Hour or so, I can feel myself Revving Up. And I have Mad Strength and Endurance. And I haven't even done an Entire 1 CC yet. My 1st two shots were 1/2 CC. Today I did 80 Units, 100 Units being the Equivalent to 1 CC. I have had to Pay Attention to the Clock in the Gym, cause I just don't get Tired. [browse around here](#)
