Each MIX by Phenom Pharm is made as a stand-alone stack to achieve the best results. All of our mixes have an optimal ratio of active agents; in most cases there is no need to add any additional compound. Moreover, each mix is cheaper than buying the individual drugs within it separately in the same dose.

Clomiphene citrate (marketed as clomid) is a non-steroidal selective estrogen receptor modulator (SERM) of the triphenylethylene group. Clomiphene was developed and approved for use in the early 1970s for the treatment of female infertility and later on subsequently expanded to treating male infertility as well.

Myo-Stack is all natural anabolic designed to support lean muscle growth and increase sports performance. You can use it either while bulking or cutting. ANADROL 100 TABS X 50MG. Anadrol is considered by many to be the most powerful steroid available. It quickly gained popularity for increasing mass and strength. Anadrol is popular for contest prep for the way it fills out and rounds the belly of the muscle. It ranks very high for bulking and also scores quite high for cutting. A steroid novice ...
